Gardano's V's have been changed to U's where appropriate. The source comprises eight partbooks. The present motet is no. 1 in the publication.

Editorial method: Original partbook names, time signatures and note duration have been retained. Clefs have been modernised, with originals appearing in prefatory staves. The overall range of each part is shown in black stemless notes before the initial time signature, to which the music has been barred. The pitch has been lowered *alla quarta bassa* in deference to the *chiavi alti*.

Editorial accidentals appear above the stave, whereas courtesy accidentals appear in parentheses. Ligatures are shown by square brackets above the stave.

Text and translation: Ditto marks in the source underlay have been expanded using italics. Capitalisation has been slightly reduced.

*Speciosa facta es in deliciis tuis
et suavis Sancta Dei Genitrix
Beata Mater intacta Virgo
gloriosa Regina mundi
intercede pro nobis.*

Beautiful art thou in thy delights,
and sweet, Holy Mother of God.
Blessed Mother, intact Virgin,
glorious Queen of the world,
intercede for us.
