Notes:

The original order of parts is 2nd - 1st - [Instrumental bass] in the opening symphony, and Tenor - [Alto] - Treble - [Bass] - [Instrumental bass] thereafter.

The alto voice part is given in the treble clef an octave above sounding pitch in the source.

The concluding symphony is given on the voice staves, with the treble-range instrumental part printed on the tenor staff at the same pitch as given in this edition (i.e. this has not been transposed by an octave in transcription).

The first verse is underlaid in the source, with the subsequent verses given here printed after the music.

 Hast thou not giv'n thy word To save my soul from death? And I can trust my Lord To
