From Greenland's icy mountains

Reginald Heber
(1783-1826)

From India's coral strand,
Where Afric's sunny fountains
Roll down their golden sand;
From many an ancient river,
From many a palmy plain,
They call us to deliver
Their land from error's chain.

2. Can we, whose souls were lighted
With wisdom from on high,
Can we to men benighted
The lamp of life deny?
Salvation! O salvation!
The joyful sound proclaim,
Till each remotest nation
Has learnt Messiah's name.

Lowell Mason
(1792-1872)

1. From Greenland's icy mountains,
From India's coral strand,
Where Afric's sunny fountains
Roll down their golden sand;
From many an ancient river,
From many a palmy plain,
They call us to deliver
Their land from error's chain.

3. Waft, waft, ye winds, His story,
And you, ye waters, roll,
Till, like a sea of glory,
It spreads from pole to pole;
Till o'er our ransomed nature
The Lamb for sinners slain,
Redeemer, King, Creator,
In bliss returns to reign.
