

See where he languished on the cross

Southborough L.M.

See where he lan-guish'd on the cross, Be - neath my sins he groan'd and died:
If I be-hold his bleed - ing heart, There love in floods of sor - row reigns,
Or if I climb th'e - ter - nal hills Where the dear Con-qu'ror sits en thron'd,
How shall a par-don'd re - bel show How much I love my dy - ing God?

See where he lan-guish'd on the cross, Be - neath my sins he groan'd and died:
If I be-hold his bleed - ing heart, There love in floods of sor - row reigns,
Or if I climb th'e - ter - nal hills Where the dear Con-qu'ror sits en thron'd,
How shall a par-don'd re - bel show How much I love my dy - ing God?
