Sin
3rd introit for lent

Poem by Robert Herrick (1591-1674)

Francis "DP" Melville
Opus eel-even No. 3
D.P. 9

when we sin, God, the great Chemist, thence Draws out the e-li-xar of true pen-i-tence.

when we sin, God, the great Chemist, thence Draws out the e-li-xar of true pen-i-tence.

when we sin, God, the great Chemist, thence Draws out the e-li-xar of true pen-i-tence.
