Literal English translation from the German:

Verse 1 - Great is the Lord; heaven, earth and the seas tell of His power.

The star-filled night, the sun, and all the multitudes of suns praise Him.

Verse 2 - Blooming nature, its decorations, and the abundance of fruits extoll Him;

the wide meadows, rich with their yield of grain, are their praise songs to the Almighty.

Verse 3 - Great is the Lord; to Him on high, shall my ecstatic spirit soar;

throughout the world's mighty chorus also, shall my praise hymn exultantly ring.
