Hear the sledges with the bells—
 Silver bells!
What a world of merriment their melody foretells!
 How they tinkle, tinkle, tinkle,
 In the icy air of night!
 While the stars that oversprinkle
 All the heavens, seem to twinkle
 With a crystalline delight;
 Keeping time, time, time,
 In a sort of Runic rhyme,
To the tintinabulation that so musically wells
 From the bells, bells, bells, bells,
 Bells, bells, bells—
From the jingling and the tinkling of the bells.

Edgar Allan Poe (1809–1849)

TERMS OF USE

These editions are available as a service to the choral community, offering inexpensive access to public domain literature. Choir resources can purchase other literature still under copyright, especially to support those creating and publishing new compositions and arrangements. These editions have been created using public domain sources under U. S. copyright law. Out of respect to the research, time and effort invested:

 please print and issue an edition in its entirety, retaining notices, attributions, and logos.

 please do not consider this edition a source for creating another edition.

If recorded, notification and attribution would be appropriate professional courtesies.

For a full description of these requests and more scores, visit:
